Nicol Ave.  
New Brunswick. N. J.

Dear Mrs Hall:-

nd

May be you not remember me when I see you at Europe at Febry 20th 1926, at that time you be a widow and think now you be so or you marry now are not, must I like tell you as please to permit I write on the matter ask to permit you my write as I have on my mind before and now to ask you to marry me. I remember you nice face when you glases be on your eyes beautiful and before I think so very much to yourself so please perdon me, must I like you know I love you before and now I love you more in fact am write and ask to we correspond on the matter when I return to Eurpe I like you be my own wife and we live when you to like it, darling Mrs Hall.....

May be you no remember me now as pass many time and you with you social customer may be forget to the man know you before and as before not had a chance to speak you of this matter, now tahn come on a trip of business to Mexico to see many interest have here, you come to my mind so lovely as you face, you body and your eyes will be of intelligent woman: two night I dreamed of yourself darling Mrs Hall and now am write on the true matter to give me a chance to we correspond and known better and if my happy be do I will Marry to any time to my beautiful France..... perdon me darling must I like you. I love you so much, yes too much I think you be the woman of my choice and my love I like marry you darling.

Am a man of 50 years, business man strong so as you are darling I like marry you so can give any reference as am a right man I like marry you Can send my picture to judge you myself. Please answer darling. Very respectfully yours!
